

HEALTH & SAFETY DATA SHEET

1. MANUFACTURERS NAME:-

Carpet Maintenance Specialists Limited
 Unit 6, Northdown Industrial Park
 St Peters
 BROADSTAIRS
 Kent
 CT10 3JP
 Tel: 08707 337733
 Fax: 08707 337734
 Email: info@envirodri.com

2. IDENTIFICATION OF THE SUBSTANCE / PREPARATION

Product Name: EnviroDri Gum Remover

3. COMPOSITION / INFORMATION ON INGREDIENTS:

Identification of the preparation: Medium alkaline product with detergents.

4. HAZARDS IDENTIFICATION:

Most important hazards: Irritating to eyes and skin
Specific hazards: None under normal processing

5. FIRST AID MEASURES

General advice: Remove contaminated clothing immediately and wash affected skin with plenty of water.
Inhalation: Move to fresh air.
Skin contact: Wash off with plenty of water
Eye contact: Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. If eye irritation persists, consult a specialist.
Ingestion: Rinse mouth. Drink plenty of water. Do not induce vomiting. Obtain medical attention.

6. FIRE FIGHTING MEASURES

Suitable extinguishing media:
 Extinguish with carbon dioxide, dry chemical, foam or waterspray. Cool containers / tanks with water spray.
Extinguishing media which must not be used for safety reasons: None
Specific hazards: None
Special protective equipment for fire-fighters:
 In case of fire wear a self contained breathing apparatus.
Specific methods: None.

7. ACCIDENTAL RELEASE MEASURES:

Personal Precautions: Goggles giving complete protection to eyes. Plastic or rubber gloves.
Environmental Precautions: No special environmental precautions required.
Methods for cleaning up: Absorb in earth or sand or other suitable material. Shovel into suitable container for disposal. Flush with plenty of water.

8. HANDLING & STORAGE:

Handling: No special technical protective measures required.

Storage: Do not freeze.

9. EXPOSURE CONTROLS / PERSONAL PROTECTION:

Chemical Name:

Sodium metasilicate

National occupational exposure limits:

Engineering measures to reduce exposure:

Ensure adequate ventilation, especially in confined areas.

Personal protection equipment:

- **Respiratory protection:**
- **Hand protection:** rubber or plastic gloves.
- **Eye protection:** goggles
- **Skin and body protection:** lightweight protective clothing

Hygiene Measures:

When using, do not eat, drink or smoke.

10. PHYSICAL AND CHEMICAL PROPERTIES:

Form:	liquid
Colour:	colourless
Odour:	slight
pH:	~12
Boiling point/range	100 °C
Melting point/range	<0 °C
Decomposition temperature:	na °C
Flash point	na °C
Autoignition temperature	na °C
Flammability (solid, gas)	na
Explosive properties:	na
Oxidising properties:	na
Bulk density	1000 kg/m ³

11. STABILITY AND REACTIVITY:

Stability: Stable at normal conditions

Conditions to avoid: None.

Materials to avoid: None.

Hazardous decomposition products: None.

12. TOXICOLOGICAL INFORMATION:

Acute Toxicity: no data available

Local Effects: irritating to eyes and skin
Sensitization:
Long term toxicity: no data available
Chronic toxicity: no data available

13. ECOLOGICAL INFORMATION:

Mobility: no data available
Persistence / degradability: no data available
Bioaccumulation: no data available
Ecotoxicity: no data available

14. DISPOSAL CONSIDERATIONS:

Waste from residues / unused products:
Offer surplus and non-recyclable solutions to an established disposal company.
Contaminated packaging:
Can be offered for recycling, re-conditioning or puncture.

15. TRANSPORT INFORMATION:

UN-No -
TREM-CARD: TREMI001
Proper shipping name: Not classified as dangerous in the meaning of transport regulations.

16. REGULATORY INFORMATION:

Classification according to European directive on classification of hazardous preparations 90/492/EEC.

- **Name of products:** EnviroDri Gum Remover
- **Contains:** Sodium metasilicate
- **Symbols:** Xi – Irritant
R-phrase(s) R36/38 – Irritating to eyes and skin
S-phrase(s) S24/25 – Avoid contact with eyes and skin
S37/39 – Wear suitable gloves and eye/face protection
S26 – In case of contact with eyes, rinse immediately
With plenty of water and see medical advice.
Do not freeze.

17. OTHER INFORMATION:

Additional information provided by the manufacturer or sender:
Carpet Maintenance Specialists Limited, Unit 6, Northdown Industrial Park, St Peters, Broadstairs, Kent, CT10 3JP.
Telephone: 08707 337733 Fax: 08707 337734

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process unless specified in the text.

Revision No: 2.0
Revision Date: 13th October 2003

ENVIRODRI GUM REMOVER

INSTRUCTIONS FOR USE

- **Simple and easy to use**
- **Ideal for chewing & bubble gum**
- **pH 12**
- **Suitable on any carpet or surface.**

Simple & Effective Chewing Gum Remover

For best results, perforate or scratch the surface of the chewing gum with a sharp implement. Pour a small quantity of Gum Remover directly onto the gum. Allow a few minutes for the Gum Remover to take effect. Working from the outside towards the centre, scrape the softened gum from the carpet using a scraper. Repeat as necessary.

Beware of damage to carpet fibres by excessive or aggressive scraping. To minimise re-soiling, remove excess Gum Remover from the carpet using a clean damp cloth, spot remover or MicroSponges.

NOTE: Always test a hidden area for colour fastness. For recycling purposes this bottle is made from high density polyethylene (HDPE).

CAUTION: Avoid contact with skin and eyes. If splashed in eyes flush with plenty of water. Do not induce vomiting if swallowed.
